

## WELCOME TO BORN CLINIC, P.C.

---

Welcome to Born Clinic! Thank you for trusting us with your health care needs. We appreciate the opportunity to become your partner in improving your overall health and wellness. Our staff believes in the idea of challenging the "one-size-fits-all" model of medicine. We are passionate about preventing future health problems by adequately managing your current health issues. We are steadfast in our commitment to integrating unique, innovative practices with conventional medicine, as we cultivate a personalized approach to each patient's health care.

For over 30 years, Born Clinic has compassionately provided a whole-body approach for healing and improving our patient's well-being. Our integrated model of care includes detailed health examinations, supported by extensive laboratory testing and innovative therapies.

At the time of your first visit, please bring with you completed new patients forms, along with your insurance card and photo ID. Please also bring paper copies of your most recent testing (blood tests, imaging, biopsies, mammograms, cardiac tests, or any other test results that are relevant to your visit), as well as a list of your current medication and nutritional supplements.

If you have any questions or concerns, please call us for assistance at 616-656-3700.

Thank you,

*The Staff at Born Clinic*

## BORN CLINIC FINANCIAL POLICY

Every effort is made to ensure that your visit to Born Clinic is a pleasant experience. We believe patients have a right to know, and that the Clinic has an obligation to provide, complete information about fee schedules and payment requirements. Unless you have Medicare\* or prior arrangements have been made for you, we appreciate total payment at the time services are rendered.

Payment may be made by cash, check, or credit card. You will be given an encounter form that you may send to your insurance company.

Born Clinic bills most Medicare plans but does not otherwise routinely file insurance claims. While we will cooperate to the fullest in providing you with accurate information so that you may bill your insurance company, you remain fully responsible for your account. If you have any questions regarding our financial policy, please feel free to speak with a receptionist or billing manager.

## PRESCRIPTION REFILL POLICY

---

Dear Patient:

We strive to fulfill your prescription request(s) in a timely manner, as your health is very important to us. In order to do so, we are requesting that you please review the following:

1. We ask that you call in your prescription refill request(s) at least 3 days in advance. Please allow 1 to 2 business days for most refills. Bioidentical hormone and thyroid refills often take longer to process and may take up to 3 business days.
2. We require that you are seen in office at least once per year for an examination. Based on your diagnosis, you may be required to be seen more frequently (e.g., every 3 months, 6 months, etc.). Please schedule your appointment far enough in advance to avoid running out of your medication before your appointment. Your prescription may not be refilled if you have not been seen in office within a year of your request.
3. Hormone Prescription Refill Requests
  - a. **Female Patients on Bioidentical Hormone Replacement Therapy:**
    - Your annual exam may include a pap smear/pelvic exam and breast exam. At the time of your visit, the appropriate type of breast imaging will be discussed, such as thermography, mammogram, ultrasound, or breast MRI.
    - Routine pap smear/pelvic screenings may be done at our office or elsewhere. Please note you may still need an annual pelvic exam performed by a Born Clinic Provider to check for abnormalities, as this is necessary to prescribe bioidentical hormone replacement therapy.
    - If your breast exam and/or pap smear/pelvic exam are performed elsewhere, contact your provider and request a copy be sent to our office. Please do so before you call with a refill request.
      1. *Please note: your prescription refill request(s) may be delayed if we do not have up-to-date copies in your file.*
  - b. **Male Patients on Bioidentical Hormone Replacement Therapy:**
    - You will be required to have bloodwork every 6 months, as well as an EKG with your annual visit.

We appreciate working with you to ensure high quality medical care.  
Thank you for choosing Born Clinic for your health care needs.

## LATE, NO SHOW, AND CANCELLATION POLICY

---

To ensure every patient receives adequate care with his or her Provider, it is important to safeguard the scheduled time allotted with each patient. It is also imperative every Provider spends the length of the appointment to warrant quality care and service. If a patient arrives late, does not show, or cancels, it could not only affect the patient's care, but the care and service of other patients. We understand that there are situations that may arise that could lead to exceptions. These cases will be assessed at the discretion of Management and the patient's Provider. We will try to accommodate our patients as best we can with the possible circumstances that may present.

To promote an understanding between our patients and the practice, we ask that you thoroughly read the following policy guidelines and financial responsibility for any late, no show, or cancelled appointments.

- If you are running late to your appointment, we will try our best to accommodate you; however patients who arrive more than 20 minutes behind their scheduled appointment time may have a shortened visit or be required to reschedule
- Should you need to cancel or reschedule your appointment, we require a 24 hour notice in order to fill the appointment slot for another patient
  - For appointments that are cancelled or rescheduled with less than a 24 hour notice, a non-refundable fee of \$25 will be placed on your account
- Appointments that are missed with no call and no show, a non-refundable fee of \$35 will be placed on your account

We are committed to providing quality care and service. The understanding of your responsibilities are key aspects for Born Clinic to better serve you, as well as other patients.

**I have read and understand Born Clinic's Late, No Show, and Cancellation Policy and agree to its terms. I understand that such terms may be amended by the practice at any time.**
